

Making high-quality care accessible to *everyone*.

Cherry Health believes that better health is a right for all. We will always provide care, regardless of your ability to pay. If you don't have health insurance or are worried about paying for care, our Sliding Fee Program can help.

We have the services you need.

We provide medical, dental, vision, behavioral health, pediatrics, women's care, pharmacy services and more.

We're in your neighborhood.

Cherry Health serves patients at more than 20 Michigan locations.

Worried about costs?

Our Sliding Fee Program can help you afford the services you need. Cost is based on income and household size.

Need health insurance?

We'll help you explore your health insurance options, including Medicaid/Healthy Michigan and Marketplace plans.
